Colour Schemes Made Easy

Confidently use more than one colour to turn a room from dull to delightful.

MONOCHROMATIC

A single hue paired with tints, shades and tones of that colour.

HARMONIOUS

Three adjacent colours on the colour wheel.

COMPLEMENTARY

Two colours opposite each other on the colour wheel.

DRAMATIC

A high-intensity colour paired with an earth-toned or muted colour.

For more colour inspiration, plus product and project information, visit [Dulux.ca](https://dulux.ca).

Dulux teamed up with colour and design experts from across the country who, by applying colour forecasting, coast-to-coast-to-coast emerging trends and exploring what truly reflects the spirit, optimism and pride of our country, curated these trending Canadian paint colours for the year ahead.

FEATURED ON FRONT COVER
Walls: Pine Forest, Ceiling: Sharkskin

FEATURED ON BACK COVER
Cabinets: Off White, Trim: Delicate White

COLOUR ACCURACY: The colours shown in this brochure are produced using a printing process which approximates the actual paint colour. Lighting affects how the colour will appear. For best colour representation, see the paint colour chips at your local *Dulux* Paints store.
